

# OPPA! Players Agreement

**Welcome to OPPA! Players. We are so excited to have. This group will have great opportunities to perform and serve our community in the best way possible. In order for the group to function cohesively, we need everyone to agree and accept the terms and responsibilities below.**

1. Conduct yourself with professionalism at all OPPA! Player events.
2. Treat every player with respect and address all issues with the same. Helping and collaborating with one another is wonderful and encouraged; please be careful not to over step for assignments.
3. Each player is responsible to learn music and choreography in a timely manner once it has been taught and assigned.
4. Tracks will be provided for every concert or performance. Players are responsible for learning their own music after it has been assigned.
5. Sheet music will be provided for duets and group numbers. It is the responsibility of OPPA! Players to provide their own solo sheet music if they need it.
6. Each player must commit to responding to facebook posts for extra events outside of the scheduled events within 48 hours, to be considered for participation. We may not always need everyone who will respond but you will be notified otherwise.
7. Holiday Follies is MANDATORY for every OPPA! Player. If conflicts arise please speak with director ASAP.
8. Each player is expected to attend the events they made themselves available for. If players back out of any events that have not been discussed with the Director, they may be asked to leave the group for the year. (emergencies and life happens but please contact the Director ASAP if you cannot make an event).

If at any point these terms and responsibilities are not upheld, the director reserves the right to withdraw you from the group.
